

# BANJO ROBINSON

YOUR CHILD'S MAGICAL PEN PAL!

# PRINTABLE FUN!

Grab some face paints and ask a grown-up to copy these colourful designs to be the coolest kid at the festival!

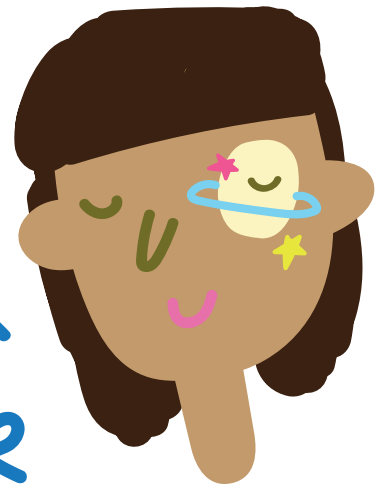

Face painting tips:

- ★ Let your base layer dry before adding a design on top
- ★ Don't paint too near the eyes as kids are bound to rub!
- ★ Never use ordinary glitter! Glittery make-up is best for sparkle
