

# ICUN COOKIES

## RECIPE CARD

Hani loves making these and smooshing the dough in his paws, but says you should ask a big human to help when using a hot oven.

Grease a baking sheet, then get a big bowl and beat together 225g of unsalted butter and 106g of icing sugar until it's lovely and light. Mix in 280g of all-purpose flour, 50g of ground almonds and 1/4 teaspoon of ground cardamom.

Keep mixing until it you get a nice doughy lump and pop it into the fridge for an hour. When it's nice and cool, tear off small bits and flatten them between your hands, then space them out on the baking sheet.

Decorate with pretty piece of candied fruit on top and bake in the oven for about 15-20 minutes at 350 F (or 175 C) until you've got lots of delicious cookies to share.
