

Uganda Map

Uganda has a warm, tropical climate.

Uganda is in East
Africa.

Talking point:

In Uganda, the line crossing the equator is represented by a small circular monument. Here, you can stand inside the circle with one foot in the southern hemisphere and one in the northern hemisphere! Why not demonstrate this in your class with a spare hula hoop and a willing volunteer?

Uganda Table Support Materials: Words & Questions

1. River Nile
2. Bananas, coffee, sweet potato, cassava
3. Crocodile

Uganda Activity Sheet

Coffee beans

Tea leaves

Wheat

Cotton

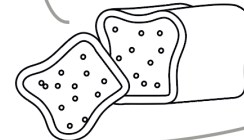

Corn

Bananas

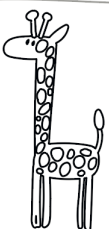

Uganda's warm climate is perfect for growing things. Can you match these crops with pictures of how they might be used?
