

-- FROM THE PAWS OF BANJO ROBINSON - GLOBAL EXPLORER! --

Hi!

Guess what? You have nearly travelled around the **WHOLE WORLD** with me!! It's **TRUE!**

You are just as much of a **GLOBETROTTING CAT** as I am! I just wanted to let you know that I might be re-visiting some of my favourite destinations soon. Each country is so amazing and full of stuff to do that I simply must go back for a second helping!

I hope that you will keep enjoying my stories and that you might learn even more about our wonderful planet. In the meantime, please keep sending me your letters. I think about you often and love hearing what you're up to.

For now, I'm sending a big, fuzzy, hug in your direction. I'm so lucky to have a friend like you!

Your pal,

**BANJO ROBINSON**
